Down by the water and up in the sky  
I'm searching for you and I wait for a sign

I feel your presence but still I can't see  
Beyond the depth of the night  
You're waiting for me  
I feel your presence but still I can't see  
Beyond the depth of the night  
You're waiting for me

I'm down on my knees and I'm crying for you  
Please come and save me from the dark  
You're the moon and the stars  
You're the light in the night  
Please come and protect me from my dreams

I feel so restless I'm losing control  
Inside my heart there's a deep and black hole

I feel cold hands grabbing for me  
My time is running out, do you still love me?

I'm down on my knees and I'm crying for you  
Please come and save me from the dark  
You're the moon and the stars  
You're the light in the night  
Please come and protect me from my dreams
