I'm always on the run  
I never want to stop  
I'm always on the hunt  
And I lock the target  
'Cause I was born to kill  
And I was born to hate  
I always raise my head  
Until they find my dead

I never prayed for mercy  
I never thought about forgiveness  
I will never regret my sins  
And no one will ever change me

Raise your hands up in the sky  
You can touch heaven if you only try  
You're so much stronger than they say  
It's time to leave, just fly away

You're so much stronger than they say  
It's time to leave  
Just spread your wings and fly away
