"Schmerzen sind noch spÃ¼rbar,  
Wenn die Lust bereits vergangen  
Und vergessen ist."

"Sagt was ihr verlangt!"

I want you for my pleasure  
I need you to satisfy my lust  
I want you to be my companion  
I want you to fly with me through the night

We play this perverted game  
We are hunting in the night  
We kill for satisfaction  
And we need the blood

You have to serve me every night  
You will ever be my slave  
I want to serve you every night  
You will ever be my mistress

I kiss the blood from your burning lips  
I lick the blood from your shivering skin  
I give you eternal life  
Death will never tear us apart

You have to serve me every night  
You will ever be my slave  
I want to serve you every night  
You will ever be my mistress

"Sagt was ihr verlangt!"

In the coldness of your grave  
I hold you in my arms... forever  
I will give you eternal life... forever  
I will give you eternal youth

In the coldness of your grave  
I hold you in my arms... forever  
I will give you eternal life... forever  
I will give you eternal youth

I kiss the blood from your burning lips  
I lick the blood from your shivering skin  
I give you eternal life  
Death will never tear us apart

"Stellt euch die Lust vor  
Dem Leben wiedergegeben zu werden,  
Zu spÃ¼ren wie ihr atmet,  
Euer Herz rast  
Und pumpt durch eure Venen...
