"Hold Me"

I can't see what you see,
I can't feel what you feel,
I can't hear what you say,
I won't listen when you pray,
You say black, I say white,
You love the day, I love the night,
You want to live, I wanna die,
I need the silence, you have to cry,
I don't love you anyway
When you are near I run away,
I don't want you but you want me,
You mean nothing, nothing to me,
Nothing to me...

You know without you I am lost,
You are the temptation, you are my god,
I wanna feel you deep inside, can you hold me just for
this night?
You know without you I am lost,
You are the temptation, you are my god,
I wanna feel you deep inside,
Can you hold me just for this night?

I can't see what you see,
I can't feel what you feel,
I can't hear what you say,
I won't listen when you pray,
You say black, I say white,
You love the day, I love the night,
You want to live, I wanna die,
I need the silence, you have to cry,
I don't love you anyway
When you are near, I run away,
I don't want you but you want me,
You mean nothing, nothing to me,

You say black, I say white,
You love the day, I love the night,
You want to live, I wanna die,
I need the silence, you have to cry,

You know without you I am lost,

You are the temptation, you are my god,
I wanna feel you deep inside, can you hold me just for
the night?
You know without you I am lost,
You are the temptation, you are my god,
I wanna feel you deep inside,
Can you hold me just for this night?
