## "I Remember"

I'm sitting here alone  
And I'm thinking of your words.  
The words you said to me,  
When you walked out of the door.  
I'm sitting here alone  
And I'm thinking of your words.  
The words you said to me,  
When you walked out of the door.

It seems so long ago that I kissed you,  
I remember everything.  
It seems so long ago that I held you,  
I remember everything.  
It seems so long ago that you loved me,  
I remember everything.  
It seems so long ago that I hurt you,  
I remember everything.

I break my chains and I try to find you.  
I can't accept the situation.  
I promised that I won't hurt you, again.  
I would change myself, cause my soul belongs to you.  
My soul belongs to you.

My soul belongs to you.

It seems so long ago that I kissed you,  
I remember everything.  
It seems so long ago that I held you,  
I remember everything.  
It seems so long ago that you loved me,  
I remember everything.  
It seems so long ago that I hurt you,  
I remember everything.

It seems so long ago that I kissed you,  
I remember everything.  
It seems so long ago that I held you,  
I remember everything.  
It seems so long ago that you loved me,  
I remember everything.  
It seems so long ago that I hurt you,

I remember everything.  
I remember everything.  
I remember everything.  
I remember everything.  
I remember everything.
