Never any pleasure  
For this I try to love  
All I ever wanted  
Is love I can't believe in

You will be the loser  
Everybody tried to find  
All we've got the season  
Of frozen hearts and minds

Take away this torture  
To cutton ev'ry soul  
Aversion to my tears  
Your love seems like a hole

I'm reaching for the stars  
You are the strength we need  
The way into the light  
The secret that we keep

Love is torture  
Aversion to my tears  
Love is torture  
You are the strength we need

Never any pleasure  
For this I try to love  
All I ever wanted  
Is love I can't believe in

You will be the loser  
Everybody tried to find  
All we've got the season  
Of frozen hearts and minds

Take away this torture  
To cutton ev'ry soul  
Aversion to my tears  
Your love seems like a hole

I'm reaching for the stars  
You are the strength we need

The way into the light  
The secret that we keep

Love is torture  
Aversion to my tears  
Love is torture  
You are the strength we need.
