She was not one of them  
She never had a friend  
She was the one that got taste  
She was not one of them  
She always stands alone  
Nobody gave her returns  
She was always pushed around  
She was not one of them

She is in love with the devil, She is in love with Lucifer  
This is her revenge for all the years of pain and tears  
Fire is falling from the sky, she is burning down her  
past  
She starts a new life, to hell with Jesus Christ  
Love with the devil, She is in love with Lucifer  
This is her revenge for all the years of pain and tears  
Fire is falling from the sky, she is burning down her  
past  
She starts a new life, to hell with Jesus Christ

Her parents died by accident  
She never felt in love with someone  
Nobody understood her fear  
And every night she cried for help  
She prayed to God 'cause she was told to  
But he never spoke to her  
She felt so cold and left alone  
But then the fallen angel came

And then the fallen angel came  
To heal the pain inside her heart  
Her broken heart  
She close her eyes and soul  
His goodness and the truth  
She is not alone  
He's always there

She is in love with the devil, She is in love with ucifer  
This is her revenge for all the years of pain and tears  
Fire is falling from the sky, she is burning down her  
past  
She starts a new life, to hell with Jesus Christ

Love with the devil, She is in love with Lucifer  
This is her revenge for all the years of pain and tears  
Fire is falling from the sky, she is burning down her  
past  
She starts a new life, to hell with Jesus Christ
