Euch wurde ein,  
wundervolles Geschenk gebracht nicht wahr?  
Oh ja.  
Jeden von euch,  
wurde die Lösung durch den Schäpfer versprochen.  
Ich beobachte euch schon so lange  
und nur im angesicht des Grauens,  
seid ihr in der Lage euren edlen Kern zu entdecken.  
Und ihr kÄnntes zweifelsfrei sehr edel sein.

Everything you ever dreamed off,  
has begun to fade to black.  
With nothing to lose you asked yourself,  
where to go now to get it back?

Everything you'd ever lived for,  
black river has washed it all away.  
Send the tide on the rising waters,  
say a pray for your last day.

Stormy clouds all over the sea,  
you will never hide away from me.  
Pandora gave us keys for tears,  
but there'll be nothing left to feel.  
Stormy clouds all over the sea,  
the more you tried to resist the tide,  
the more it pulls you in before.  
Your lonely world collides.

Like a storm that's never ending,  
all the shadows will survive.  
There were nights of endless pleasures  
and our souls and dreams.  
Will I kiss dawn that brings you heaven?  
Every ash, an empty side.  
Finish crying now or never,  
the sea is wiping the sky.

Between good and evil,  
stormy waters catch your breath.  
Take your heart with Christal fingers.
