So now I'm alone with music as thought.
No music can think.
I'm angered and lost.
So eat up in hunger.
And I will tell you (and I've found)
I've learned from hunger
That when you go through the storm they will know who
you are.

When you go through the storm they will know who you
are.
(What you running for? Some things happen for
reasons unexplored.)
When you go through the storm they will know who you
are.
When you go through the storm they will know who are,
But you've been looking for a way back from ever
wanting more.
And your body's finally hit the floor
cause it's angry at the pulse it makes
