It starts with the cheetah's a whore and I don't think
that she could be
Anything more than devilish stares among other things
Oh maybe we could work this so you could be
Afraid from the tigers and all the liars oh well you'll see

Oh you see a panther is when a man stands for little or
nothing,
little or nothing
But he's scared of the animals cause they took his
spots like lions,
and tigers, and bears oh my

It's one of a kind when we are in love
I got you now I got the tiger by the toe
But I don't have time to see if I love
But if he hollers then I have to let him go
It's one of a kind when are in love
I got you now I got the tiger by the toe
But what he don't know is that I cannot be faithful
But if he hollers then I have to let him go

The cheetah's back and she's exploring
The tiger's waiting for the morning

She said
It's one of a kind when we are in love
I got you now I got the tiger by the toe
But I don't have time to see if I love
But if he hollers then I have to let him go
It's one of a kind when are in love
Eeeny Miney boy I've got you by the toe
But what he don't know is that I cannot be faithful
But if you holler then I'll never let you go

It's one of a kind when we are in love
I got you now I got the tiger by the toe
