You always said too much
If you're ever lost come on back
I'll sing you a new name and face
If you're ever lost
I know you'll be coming back
Cause it happens inside the heart, the soul
You know
The devil's coming back, again
The devil's coming back, again
You know
The devil's coming back, again
The devil's coming back, again
The devil's coming back, again
The devil's coming back, again
The devil's coming back, again
The devil's coming back, again

See you next time
