I'm trying hard to focus tonight but my mind is
wandering
So I step outside to catch a breath of air
I needed it
I'm trying to conceal it
But I want to get away tonight
Don't you see you and me don't need anyone?
So lets just turn and leave
You will see oceans bluer when the waves just
Roll right over
We belong together so lets
Roll right over
Making up for lost time baby lets just
Roll right over
Cause we belong together so lets
Roll right over
I'm trying hard to speak but I can't speak proper
So I just shut my mouth and I do what I am told to do

So lets just turn and leave
You will see oceans bluer when the waves just
Roll right over
We belong together so lets
Roll right over
Making up for lost time baby lets just
Roll right over
Cause we belong together so lets
Roll right over
I've never seen the ocean so clear as tonight
It's raining overhead and it's almost just right
But I could make it better if we left tonight
For an island where we could sit and watch the waves
just
