If I keep holding back I'm gunna lose this all  
Oh no  
How could we be part of the cure?  
I'm not soft spoken about how I live  
And I am everything that you never wanted  
And could never touch with your hands and I am losing  
I have lost.

My one vice is that I always say  
That I'm ready but I meant it twice  
My one vice is that the cure for me  
Seems it's coming few and far between me and my...

Self-centered, severely egocentric point of view  
I've grown accustomed to these words "I am not who I  
am"

Stop me if I do not stand a chance  
Stop me if you do not think this is for me and I said
