Rock it up! Yea

Hey baby r u all alone  
Do u need a man 2 take u home?  
I'll b the best u ever had  
No strings, no 2nd ties  
C'mon do the dirty deed 2nite  
Ooh, make me crazy, drive me mad

Women in fast cars, oh no  
Gunnin' with the big guitars, oh no  
I can give it all the same, not enough baby  
Women in magazines, oh no  
Lightin' up the silver screen, oh no  
I got something 2 say, yea, yea, yea

Callin' all girls  
I'm sendin' out a message that I wanna feel your love  
All girls of the world  
Can't u c I just can't get enough?

Ooh, I love your sexy ways  
Making love is like a holiday  
I wanna make u come & come again

Women who satisfy, oh no  
Take u 2 the otherside, oh no  
I could give it all the same, not enough baby  
Women who love 2 play, OH NO,  
Take u in all the way, oh no  
We're all part of the game, yea, yea, yea

Callin' all girls, can u hear me?  
I'm sendin' out a wire that I wanna taste your love now  
All girls of the world, listen 2 the new world  
Can't u c I just can't get enough?

Bring it down, ooh, talk it up  
No busy sign, show me good lovin'

Women who love 2 play, OH NO,

Take u in all the way, oh no  
We're all part of the game, yea, yea, yea

Callin' all girls, can u hear me?  
I'm sendin' out a wire that I wanna taste your love now  
All girls of the world, listen 2 the new world  
Can't u c I just can't get enough?
