[Talkin:]

Hey what it is baby

Aye me and you been together for some time now

And I just wanna let you know that I love you so much  
so much

Me without you is like it's like tha sun without the moon

It's like it's like me without music

Without you there's no me

Aye I can't continue this journey of life without you

And I just say

I just wanna let you know tha I love you so much and I  
put nothin above you

Aye just listen up

[Verse 1:]

Aye first thang first girl I love you and you know I gotta  
have you I can neva move on neva be without you

cause you without me that can neva be right girl that  
seem wrong you the one that I want my essential need

The one that I give my heart to and that I care for ride  
or die through the thick and thin be here to the end you  
the only woman that I'm there for

Back when we first met I knew that it was true love from  
the get go

All the females I had I let em' go I ain't even tryna live  
that life no more

If I got you that's all I need girl you right for me girl I'm  
so complete girl

What you need I do anything girl you are my queen girl  
(you you are my queen girl)

You the left to my right you the dark to my light you the  
only one that I want in my life

I can see me and you just right be beloved I can even  
see you bein my wife

You got my heart on lock

Yeah I love you girl yeah I love you girl ha ha

[Chorus:]

Now baby I now baby I love you (baby I love you) more  
than words can explain I know you love me the same

and no I ain't runnin game

Now baby I love you (baby I love you)

I know that your right for me and baby your all I need  
you heart is secure with me  
Now baby I love you (baby I love you) now baby I love  
you (now baby I love you) now  
Baby I love you (now baby I love you) I love  
You (I love you) I love you (I love you)

[Verse 2:]

You the one that I need in my life  
You the one that I wanna make my wife  
You the one that I hold real tight  
Kiss through the night  
Make love to you right  
Baby girl I neva do you wrong  
I wanna hear your voice every day through the phone  
I wanna make big plans in life be together for life and  
build you a real nice home  
I wish you can see what I see cause without you girl I'm  
incomplete  
It's like me and you was made for each otha  
Got love for each otha  
We was made for each otha  
And can't nothin neva pull us apart  
Cause every day girl you runnin through my heart  
I want you, I need you, girl your heart is secure with me

[Verse 3:]

Now I can not handle the fact that you wanna leave me  
And I can not handle it that you don't wanna be with me  
But I'm a keep tryin cause I can't let you go  
Cause I need you right next to me and I know for sho  
Cause baby I L.O.V.E you  
Baby I L.O.V.E you  
Cause baby I L.O.V.E you  
I love you, I love you

[Chorus]

Baby I love you (baby I love you) [x4]  
Baby I L.O.V.E you[2x]  
Cause baby I L.O.V.E you  
I love you, I love you  
Now baby I now baby I love you
