She say she wanna it's the remix  
She say she wanna it's the remix  
She say she wanna it's the remix

[Chorus:]

So she say she wanna thug(say she wanna thug)  
Cause her man ain't beatin it up(cause her man ain't  
beatin it up)  
So I'm a come and put it down(I'm a come and put it  
down)  
Get your body wen no one's around(wen no one's  
around)  
So she say she wanna thug(say she wanna thug)  
Cause her man ain't beatin it up(cause her man ain't  
beatin it up)  
So I'm a come and put it down(I'm a come and put it  
down)  
Get your body wen no one's around(wen no one's  
around)

[Verse 1:]

So u wanna thug  
Well you ain't fuckin with a lame  
Gurantee a nigga bring pain  
Hit you from the back den I beat out the frame  
Sex game untammed gotta screaming out name  
And I ain't go lie yeah you fucking G  
And I really give a fuck about your man  
Cause nine times out of ten all the thangs that I'm  
doing be the thangs the nigga really wish that he can  
And I wanna be your man  
Cause he ain't treatin you rite  
So I think that you should let me come over  
Get you wet then let me take over from the back while I  
grip on your shouldas  
Now gone roll over and let me hit the twat I'm beat the  
pussy up give all that I got  
You mite thank that I'm playin but I'm showin you I'm  
not  
So let me get in between and hit your g-spot

[Chorus]

[Verse 2:]

Baby girl wanna thug  
Someone that will grab her tight  
Treat her right  
Fuck her all night till the day lite  
Shit that's me says game on point got u moist while you  
screamin at the top of lungs  
Hit u form the back and kiss your hot spot  
Legs in the air while I'm deep in the twat  
Tryina take a break u can c dat I'm not(u can see that  
not)

[Bridge:]

Laday you know that you wanna thug  
So I'm a put it down and give you love  
We ain't gotta rush we take our time  
Freak you down and have chills goin up your spine  
Oooh  
She say dat she want it(so I'm a give her what she  
want)  
She say dat she need it(so I'm a give her what she  
need)  
She say she wanna thug(thug)  
She say she wanna thugh(oooooh)

[Chorus]
