Just trust me... [echo]  
Just trust me... [echo]

[Chorus:]

Yea you say we are the same but I'm a show you  
differently  
All you gotta do is put your trust in me (yea yea yea yea  
yea yea)  
But you think I wanna leave  
You sick of all the thangs  
Girl all you gotta do is put ya trust in me (all you gotta  
do is put ya trust in me)  
In girl it don't matta what they say (no no no no no no  
no)  
Cause I'm gon be here to stay (I'm gon be right here  
girl)  
Even tho we gon fus and fight  
Our relationship don't be right  
You betta just open your eyes  
Trust me

[Verse 1:]

All you gotta do is trust  
Gimme one chance and I can treat you better than tha  
other man  
I know you think I'm runnin game but ya nigga doin tha  
same  
Gotcha cryin tears every night  
Broke down in pain and you don't need tha shit  
You need a real thug in ya life  
That a put it down right neva fuss and fight  
Hold you through the night neva lie to you  
Love you like a wife  
When I see you I'm like damn  
Why you takin this? girl you ain't gotta go through this  
shit  
Cause I'm here for you right by your side  
I a neva leave you girl baby look into my eyes  
So you can see that I'm not playin  
So you can see that I'm not playin  
Just trust I'm ya man... (I'm gon be right here girl)

[Chorus:]

Yea you say we are the same but I'm a show you  
differently  
All you gotta do is put your trust in me (yea yea yea yea  
yea yea)  
But you think I wanna leave  
You sick of all the thangs  
Girl all you gotta do is put ya trust in me (all you gotta  
do is put ya trust in me)  
In girl it don't matta what they say (no no no no no no  
no)  
Cause I'm gon be here to stay (I'm gon be right here  
girl)  
Even tho we gon fus and fight  
Our relationship don't be right  
You betta just open your eyes  
Jjust trust me

[Verse 2:]

Ay lil mama now you thinkin that we all are the same  
But I'm her to show you that we're not  
Cause ya niggas in the past they was all about game  
And I'm here to show you that I'm not  
Cause I ain't tryna play with ya heart  
And have yo thinkn in ya mind that I'm only tryna fuck  
I'm tryna be ya man I ain't tryna run game  
I ain't got time to play  
So lil mama listen up  
I ain't nothin like the rest ov'em I'm the mest ov'em  
And I know you probably thinkin yea right  
But I'm tryna be ya man  
And be the only nigga that you really need in ya life  
Baby girl stop playin So baby girl stop playin  
Cause I ain't tryna waste time, Cause I wanna make you  
mine  
Yea I wanna make you mine, Baby girl stop playin

[Chorus:]

Yea you say we are the same but I'm a show you  
differently  
All you gotta do is put your trust in me (yea yea yea yea  
yea yea)  
But you think I wanna leave  
You sick of all the thangs  
Girl all you gotta do is put ya trust in me (all you gotta  
do is put ya trust in me)  
In girl it don't matta what they say (no no no no no no  
no)  
Cause I'm gon be here to stay (I'm gon be right here  
girl)  
Even tho we gon fus and fight

Our relationship don't be right  
You betta just open your eyes  
Just trust me

[Breakdown:]

Girl you must be blind cause you can't see  
When somethin goods in your face  
And we ain't gotta rush this relationship (no we ain't  
gotta rush)  
We can move at a slow pace  
But all you gotta trust me  
Girl alll you gotta do is trust in me  
All you gotta do is trust me, I'm on my knees beggin  
you  
All you gotta do is trust me  
Askin you for one chance  
All you gotta do is trust me lemme be your man

[Chorus:]

Yea you say we are the same but I'm a show you  
differently  
All you gotta do is put your trust in me (yea yea yea yea  
yea yea)  
But you think I wanna leave  
You sick of all the thangs  
Girl all you gotta do is put ya trust in me (all you gotta  
do is put ya trust in me)  
In girl it don't matta what they say (no no no no no no  
no)  
Cause I'm gon be here to stay (I'm gon be right here  
girl)  
Even tho we gon fus and fight  
Our relationship don't be right  
You betta just open your eyes  
Just Trust me

Oh Oh Ohhhhh  
Just trust me... [echo]  
Just trust me... [echo]
