You know how much a woman woman feels
Come and turn me turn me turn me 'round
Hold me and carry me on fire
And let us be as one

Kiss me
Feel me now

Happy in my demon's arms I'm
Dancing fire is all around

I don't fear to follow follow you
Guide me to free me free me free me now
Your heart is cold and though it burns
As bright as thousand stars

Kiss me
Feel me now

Happy in my demon's arms I'm
Dancing fire is all around
Carry me out of this world
To where dancing fire is all around

Happy in my demon's arms I'm
Dancing fire is all around
Carry me out of this world
To where dancing fire is all around
