### Verse 1.

Cross my heart, Cross it off hope to die.  
One bullet, one mind, theirs only one chance tonight.  
(Screamed)  
My only excuse, is please I'm not that bullet proof.  
Shut you're mouth, shut you're mouth just shut you're  
fucking mouth. (Screamed)

### Chorus.

Shot down by you, shot down by you, you pulled the  
trigger and took me out. (Screamed)  
I'm left in ashes(ASHES! ) I'm left in ashes.(ASHES! )  
Shot down by you, shot down by you, you pulled the  
trigger and took me out. (Screamed)  
I'm left in ashes(ASHES! ) I'm left in ashes.(ASHES! )

### Verse 2.

Wash your hands and loose the gun, pull the bullet  
from my lung.  
Living in the shadows of others, cut up and destroy  
you're brothers. (Screamed)  
Pray for forgiveness they said, Pray for forgiveness  
they said.  
Lifeless like a mannequin, Rejected by the Jullians.  
(Screamed)

### Chorus.

Shot down by you, shot down by you, you pulled the  
trigger and took me out. (Screamed)  
I'm left in ashes(ASHES! ) I'm left in ashes.(ASHES! )  
Shot down by you, shot down by you, you pulled the  
trigger and took me out. (Screamed)  
I'm left in ashes(ASHES! ) I'm left in ashes.(ASHES! )

### Bridge. (All Screamed)

I should tell you, Time is running out, it's running out.  
Can't be a Jullian, You want to be a Jullian.  
Do you want a second chance, to revive and bring me  
back to life.  
What goes around comes around, what goes around  
comes around.

Solo.

Chorus.

Shot down by you, shot down by you, you pulled the  
trigger and took me out. (Screamed)

I'm left in ashes(ASHES! ) I'm left in ashes.(ASHES! )

Shot down by you, shot down by you, you pulled the  
trigger and took me out. (Screamed)

I'm left in ashes(ASHES! ) I'm left in ashes.(ASHES! )

Restrain.

Shot down, get down.

Breathe in, breathe out.

Hold on, let go.

Go fast, go slow.

Break tradition, break addiction.

Take this oath, drain the host.

I'm innocent, your not.

I'm the victim, I got shot.

By you...
