Verse 1.

You ripped apart my heart.
Forget the past, the promises that I made to you.
I don't think I'll be following through.
Remember when we met?
Time to put that shit to rest.
The nightmare that you left me with, I'll never forgive.

You shadow is apart of me.
The scars you left will only bleed.
The memorys that we shared, obsession that we bread.
How come the voices only speak me?
Why is this happing? to me?

Slowly winding up...

Chorus.
I'm ending this tonight.
I walk towards the light.

Verse 2.
The pain you put through.
I'm sick of the lies just tell me the truth.
The world is not enough for you.

Restrain.
All I wanted was a place of my own.
A place I could call my home.
All I ever wanted was to be alone.

Chorus.
I'm ending this tonight.
I walk towards the light.
Burn it too the ground.
Believe in all the light and sounds.
I'm ending this tonight.

Chorus.
I'm ending this tonight.
I walk towards the light.
Burn it too the ground.
Believe in all the light and sounds.

I'm ending this tonight.

Chorus.

I'm ending this tonight.

I walk towards the light.

Burn it too the ground.

Believe in all the light and sounds.

I'm ending this tonight.

I'm ending this tonight.

I walk towards the light.

Burn it too the ground.

Believe in all the light and sounds.

I'm ending this tonight.
