Glass hailed from the sky that night
I couldn't hide to save my life.
Standing drenched from open wounds.
You took my hand, and pulled me through.

I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain

Listen to all this glass shatter.
I peirced my ears and made them bleed.

Now sounds so beautiful
Cause you're beatiful.
You're beautiful.

I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain

I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain
