Don't lie don't lie to me now  
Now I'm erasing you  
Throwing those memories out  
Out to start something new  
I'm throwing those memories

Darling  
Don't lie to me  
Darling  
Don't lie to me  
Darling  
Don't lie to me

Darling don't

Breathe in slowly now  
Darling don't lie to me  
Breathe in slowly now  
Darling don't lie to me  
Inhale truth I plead  
For your my only hope  
Don't lie don't leave

Mind set on failure  
The road you chose  
Told me you loved me  
Told me you

You

Take your time I'm only dying  
Patiently I'm nearly dying  
Curse the pride you curse the pride  
Deep inside is where it lies

Dont mind me im only dying

Dont mind me im only dying  
(what got me into this mess that devoured me)  
Dont mind me im only dying  
(lies and deceitful actions keep promising)  
don't mind me im only dying

What got me into this mess that devoured me  
(darling don't lie)  
What got me into this mess that devoured me  
(lies and deceitful actions keep promising)  
What got me into this mess that devoured me  
Lies and deceitful actions keep promising  
What got me into this mess that devoured me  
Darling don't Lie  
Lies and deceitful actions keep promising  
Darling don't Lie  
What got me into this mess that devoured me  
Darling don't Lie  
Lies and deceitful actions keep promising  
Darling Dont Lie
