Always forgive, never forget.  
It's just like me to pretend  
And give into her every need,  
Showing no signs of defeat.

Thirsting for your tears.  
You never realize,  
The wishing makes you feel,  
Let's take back this.  
Don't be blinded by her eyes,  
Don't be blinded by her eyes.

Taking the time to set things back to  
Take control of you.  
Erasing everything.  
Taking the world that you once knew,  
Away from you.  
Erasing everything.  
It's too late to turn back.

Every inch of light,  
Comes from deep inside.  
My only regret,  
Lies in all the nights.  
Spine removed from back,  
Faced down on the floor.  
I offered her my heart,  
But now she wanted more.

Taking the time to set things back to  
Take control of you.  
Erasing everything.  
Taking the world that you once knew,  
Away from you.  
Erasing everything.  
It's too late to turn back.

My hearts not big enough for the both of us.  
My hearts not big enough for the both of us.  
My hearts not big enough for the both of us.  
My hearts not big enough for the both of us.
