glass hailed from the sky that night,  
i couldn't hide to save my life,  
standing drenched in open wounds,  
you took my hand and pulled me through.

i want to give you everything  
i'll give you my all  
because you gave me  
you gave me your lips  
a gentle kiss  
the medicine to cure my pain

listen to all of this glass shatter,  
oh it pierced my ears and made them bleed,  
now it sounds so beautiful,

cuz you're beautiful,  
you're beautiful.

i want to give you everything  
i'll give you my all  
because you gave me  
you gave me your lips  
a gentle kiss  
the medicine to cure my pain

i want to give you everything  
i'll give you my all  
because you gave me  
you gave me your lips  
a gentle kiss  
the medicine to cure my pain
