You always casting your shadow on me  
But now I'm cast mine on you  
Your best chances are left with nothing  
Turning my back on you

Now that you're all alone,  
There's no where left to go  
Now that you're all alone,  
There's no place left to go

I want you to see me,  
Living the life that you'll never have  
I want you to see me,  
Laugh at the emptiness in your hand

You'll never fall asleep,  
Knowing I'm in your dream  
I want you to see me,  
Laughing now

You never looked in to who I could be,  
You only knew me for who I was  
Remember I told you where I'm going  
I'll explain it now

Now that you're all alone,  
There's no where left to go  
Now that you're all alone,  
There's no where left to go

I want you to see me,  
Living the life that you'll never have  
I want you to see me,  
Laugh at the emptiness in your hand

You'll never fall asleep,  
Knowing I'm in your dream  
I want you to see me,  
Laughing now

See me laughing now... (2x)
