Look through my eyes
i have arrived
and now i am on the rise
Watch the tables
watch the tables as they turn
this is a lesson
i know you'll never learn
i know you'll never learn
so dont recall

there's something running through my blood
takes hold of me
its taking me to heights you'll never see
yeah i'm your wildest dream
there's something disturbing your sleep
well now you'll see
nothings ever what it seems to be
now im all that you bleed

make no mistake
forget my name
you know you wish you could
im a nightmare
see me while you toss and turn
i am the lesson
i know you'll never learn
i know you'll never learn
now dont recall

there's something running through my blood
takes hold of me
its taking me to heights you'll never see
yeah i'm your wildest dream
there's something disturbing your sleep
well now you'll see
nothings ever what it seems to be
now im all that you bleed

you better believe that you can see me now
im on the top of the highest building
and your still on the ground
at any minute this could all collapse

and i could come back down
but i'm living in the moment
i'll savor it for now

i know you'll never learn
so dont recall
there's something running through my blood
takes hold of me
its taking me to heights you'll never see
yeah i'm your wildest dream
there's something disturbing your sleep
well now you'll see
nothings ever what it seems to be
now im all that you bleed

These are the heights i know you'll never see
these are the heights
