When will I find the light in day
I'm tired of learning
Of tossing and turning
When will I find the perfect words to say
I'm tired of burning papers
I didn't mean to throw away,
I didn't mean to throw away

I'm tired of writing the same old song
'cause there's no way out
There's no way out 'til you let me in,
'til you let me in
Yeah, ah, yeah, ah, ah, ah

I'm tired of writing this song
'cause there's no way out
There's no way out 'til you let me in,
'til you let me in

Come on let me in

When will I find the exit of this maze
I'm sick of retracing
Of rotting and wasting
When will I find the perfect words to say
I'm tired of burning papers
I didn't mean to throw away
(away, away)

I'm tired of writing the same old song
'cause there's no way out

There's no way out 'til you let me in,
'til you let me in
Yeah, ah, yeah, ah, ah, ah

I'm tired of writing this song
'cause there's no way out
There's no way out 'til you let me in,
'til you let me in

Come on let me in

If you let me in
You'll only want me out
But at least you'll share
The pain with someone else
You will live the life you haven't lived
Hear the voice you kept within
I will turn you inside out

I'm tired of writing the same old song
'cause there's no way out
There's no way out 'til you let me in,
'til you let me in
Yeah, ah, yeah, ah, ah, ah

I'm tired of writing this song
'cause there's no way out
There's no way out 'til you let me in,
'til you let me in

Come on let me in
