Intro:

Choking on your fear,  
You no longer see so clearly.  
Choking on your fear,  
You no longer see so clearly.  
Choking on your fear, (This love that never lasts, love  
that fools so easily, )  
You no longer see so clearly.(is anger deep inside, it's  
anger deep inside of me.)  
This love that leaves so fast, (Its empty words that ring,  
these empty words don't mean a thing.)  
Is love that comes so easily.(This love that leaves so  
fast, is love that comes so easily.)  
This love that leaves so fast, is love that fools so easily.  
(This love that leaves so fast, is love that come so  
easily.)  
This love that leaves so fast, is love that fools so easily.  
(This love that leaves so fast, is love that come so  
easily.)

Main:

Blackout  
Memories of you.  
I'll take,  
Slowly I shall take.  
I will,  
I'll slice you open.  
I'll steal back... my love.

Revenge is running through my body;  
(This love you breathe)  
So fast racing against my heartbeat,  
(This love you breathe)  
Escaping, letting my tensions free;  
(This love you breathe)  
The scent of your blood smells so sweet.

Your lungs, will swell till you're choking on your fear.  
Your lungs, they'll swell till you're choking.

Trade me

My love, for this heart I pray upon.  
Trade me  
My heart, for this heart I pray upon.  
Revenge!

Blackout  
The memories of you.  
I'll take  
All life from you.  
I'll slice you open so you'll feel the pain  
From you.  
I'll slice you open and steal back my love  
From you;  
Steal back my love from you.  
Steal back my love.

This love you breathe.  
This love you breathe.  
This love you breathe.  
This love you... this love you breathe.  
This love you breathe.  
This love you breathe.  
This love you breathe.  
This love you... this love you breathe.
