Tonight looks like a cold one
The moon decides to show
Dance along the ocean
None of us will know, none of us will know

So this is the end of it
It's time for us to go
Back to where we started
Back to what we know, back to what we know

Do you know what it feels like
To be alone
Well I do, I do
Do you know what it feels like
To be alone
Well I do, I do

Tonight looks like a cold one
The moon decides to show
Dance along the ocean
None of us will know, none of us will know

So this is the end of it
It's time for us to go
Back to where we started
Back to what we know, back to what we know

Tomorrow's never promised you
This world is all we share
I'd die a thousand times for you
I wonder if you'd care, I wonder if you'd care at all

Do you know what it feels like
To be alone
Well I do, I do
Do you know what it feels like
To be alone
Well I do, I do
I do...
I do...
I do...

Tonight looks like a cold one
The moon decides to show
Dance along the ocean
None of will know
