Have you seen the way  
Smile hesitates  
Favorite clothes are frayed

So tell me what's going on  
Has it cost your glow  
I just gotta know

I'm so sorry that  
That I let you down  
I just hope that I  
Haven't lost you now

I'm so sorry that  
That I let you down  
I just hope that I  
Haven't lost you now  
We will remember

There's nothing left to say  
The walls won't chip away  
Blank eyes lie in wait

So tell me what's going on  
Has it cost your glow  
I just gotta know

I'm so sorry that  
That I let you down  
I just hope that I  
Haven't lost you now

I'm so sorry that  
That I let you down  
I just hope that I  
Haven't lost you now  
We will remember  
What you did for me

I'm so sorry that  
That I let you down  
I just hope that I

Haven't lost you now

I'm so sorry that  
That I let you down  
I just hope that I  
Haven't lost you now

I'm so sorry that  
That I let you down  
I just hope that I  
Haven't lost you now  
We will remember  
What you did for me
