Ooh ooh baby! I want you back
And all of that still ride high when I catch
A contact never mind what I said here to find
My way back from the dead oh how your groove
Still lingers bob my head to your cruves to the touch
Of your fingers I be this here rap singer with
One last breath left to bring her back
I'm knowing the odds be stacked but ain't no doubt

We're still a match

Nan nan noui nunbiddo nan noui hyangido
Nan modu jiwosso donun dagaoryo hajima
Ijen arsu isso nan niga obnun sesangdo
Hengboghar su idangor (nan ijen)
