Before you said goodbye to me
So I wish I knew how, how you feel so guilty
Before you said goodbye to me
So I wish I said just, I love you

Totsuzen hareta sora kara
Namida no youna toori ame
Watashi wa kaburi ochita
Hitotsubu mitsumeteita yo

I just think 'bout you
When I feel so lonely
Ima ni natte kizuku nante
I just think about you
Why you left from me
Yasashisa to iu "sayonara"

Before you said goodbye to me
Modoreru nara tsutaetai yo
Before you said goodbye to me
lenakatta "I love you"

Chotto mae no futari dattara
Ame sae tanoshindeita
Sonna hi wa kimi no katan dake
Katahou itsumo nuretteta

I just think 'bout you
When I feel so lonely
Moshimo guuzen ni kaketa nara
I just think 'bout you
Why you left from me
Egao dake wo misetai

Before you said goodbye to me
Komarasettemo sunao ni tada
Before you said goodbye to me
lenakatta "I love you"

I can't say that before
You walk out of my life
I can't say that before

Before you said goodbye to me
So I wish I knew how, how you feel so guilty
Before you said goodbye to me
So I wish I said just, I love you

Before you said goodbye to me
Modoreru nara tsutaetai yo
Before you said goodbye to me
lenakatta "I love you"
