Guess you lose and it's too late  
To try to come back  
What part of no don't you understand?  
Too bad

There you go down  
With yesterday's news in the trash can  
I got no time to be looking back  
I'm past that  
And now you wanna change  
It's too little too late

You shoulda loved me  
Right when you had me  
Shoulda, shoulda  
But you didn't, did ya?

You shoulda known  
I'm not gonna sit around  
And wait for you  
To get your act together  
Shoulda known better

Don't say you wanna  
Don't say you were gonna  
You shoulda loved me right  
But you didn't, did ya?

Gotta a new place, a hot ride  
This Gucci handbag  
To match my kicks  
And my brand new plan, hey now

Why the look of confusion?  
Oh sorry, my bad  
Forgot to mention  
My brand new man, take that  
Say you wanna change  
It's too little too late

You shoulda loved me  
Right when you had me

Shoulda, shoulda  
But you didn't, did ya?

You shoulda known  
I'm not gonna sit around  
And wait for you  
To get your act together  
Shoulda known better

Don't say you wanna  
Don't say you were gonna  
You shoulda loved me right  
But you didn't, did ya?

Take a good look  
'Cause it's the last you'll see of me  
Take a good look  
Take a good look, baby

Memorize this  
All you have are memories  
Memorize this  
'Cause it's all you get to keep

No words, no rings  
Not a damn thing  
Is gonna bring me back to you  
I'm so over you

You shoulda loved me  
Right when you had me  
Shoulda, shoulda  
But you didn't, did ya?

You shoulda known  
I'm not gonna sit around  
And wait for you  
To get your act together  
Shoulda known better

Don't say you wanna  
Don't say you were gonna  
You shoulda loved me right  
But you didn't, did ya?
