Boy just looking at you
Boy I know what you want to do
Boy but you can't
Until the night is through

Huh, why don't you whisper it to me, me, me, me
How you wanna get freaky, ky, ky, ky
And we can get down, down, down
But first you gotta wait

So all you wanna do
Is take my dress off
And like a candy store
I know you want it all

Oh, I can read you baby
And I know that you want me
With my dress off, my dress off
With my dress off, off, off, off, off, off, off
With my dress off, off, off, off, off, off, off

Boy I don't care about your fast car
Boy don't matter how blinged out you are
Boy so if you want me that won't get you far
'Cause I know what you want

Why don't you whisper it to me, me, me, me
How you wanna get freaky, ky, ky, ky
And we can get down, down, down
But first you gotta wait

So all you wanna do
Is take my dress off
And like a candy store
I know you want it all

Oh, I can read you baby
And I know that you want me
With my dress off, my dress off
With my dress off, off, off, off, off, off, off
With my dress off, off, off, off, off, off, off

There is always something more
You'll find out what's in store
But you have to completely
Give yourself to me, me, me, me
Me, me, me, me, me, me, me, me, me, me

So all you wanna do
Is take my dress off
And like a candy store
I know you want it all

Oh, I can read you baby
And I know that you want me
With my dress off, my dress off
With my dress off, off, off, off, off, off, off
With my dress off, off, off, off, off, off, off
