When I first saw you I knew nothing's like it used to be
Boy you have got to be the finest thing in history
The way I feel inside is just so hard to understand
You'd be my appetite in ways I can't explain

[Chorus]

I'll eat you up
Your Love, Your Love
I'll eat you up
Your Love, Your Love
Woah oh oh
I'll eat you up
Woah oh oh
So yum, yum
Woah oh oh
Can't get enough
Woah oh oh oh
Think I'm in love

When I first saw you I knew nothing's like it used to be
If you move any closer, boy there is no guarantee
What I will do to you It just so hard to understand
You think my appetite in way I can't understand
You look so tasty I could eat you up alive

[Chorus X2]

I'll eat you up
Your Love, Your Love
I'll eat you up
Your Love, Your Love
Woah oh oh
I'll eat you up
Woah oh oh
So yum, yum
Woah oh oh
Can't get enough
Woah oh oh oh
Think I'm in love

Can't stop thinking 'bout the things I wanna do to you
You move any closer you'll be asking for it too
I want your love

I need your touch so much
I think I'm in love

[Chorus]
I'll eat you up
Your Love, Your Love
I'll eat you up
Your Love, Your Love
Woah oh oh
I'll eat you up
Woah oh oh
So yum, yum
Woah oh oh
Can't get enough
Woah oh oh oh
Think I'm in love

I wanna take you to my room
I wanna take you to my room

Woah oh oh
I'll eat you up
Woah oh oh
So yum, yum
Woah oh oh
Can't get enough
Woah oh oh oh
Think I'm in love

(Bam!)
(I'll eat you up... I'll eat you up...)
