I'm feelin' so energetic
Don't think y'all will ever get it
I'm feelin' so energetic
Don't think y'all will ever get it

I'm feelin' so energetic
Don't think y'all will ever get it
I'm feelin' so energetic
Don't think y'all will ever get it

Oh, oh, oh, the floor is callin' me
And I don't know what else to do
Oh, oh, oh, the energy in here is fire
And the speakers too

Oh, oh, oh, see the DJ hittin' that replay
Do what he say and turn me on
Oh, oh, oh, I'ma do a lotta talkin' with my feet
And the beat and I promise don't need no phone
Oh, oh

Put me on, put me on, put me on
Put me on, put me on, put me on
Report to the dance floor
Put me on, put me on, put me on
Put me on, put me on, put me on

Don't think y'all will ever get it

I feel like I'm up there above, above
Above the clouds
Did you meet my speaker?
Ain't he, ain't he
Ain't he talkin loud?

Beat, beat, beat, beat the floor
Don't he beat, beat, beat the floor
Don't he beat, beat, beat, beat the floor
That's that and I ain't gotta say no more

I'm feelin' so energetic
Don't think y'all will ever get it
I'm feelin' so energetic
Don't think y'all will ever get it

I'm feelin' so energetic
Don't think y'all will ever get it
I'm feelin' so energetic
Don't think y'all will ever get it

Meet me in the club
(Meet me, meet me)
