Dore kurai naitan darou
Dore kurai kimi no seini shitan darou
Demo ima nara I can make it smile for you
Suteki na koi dato

Sunao ni kimi no namae yoberu
Jikan to tomoni futari no omoide mo
Nagarete yuku darou

Fallin', fallin', fallin' in love
Kimi ga kure ta omoide ni
Fallin', fallin', fallin' in love
Ima no watashi ni arigatou
Fallin', fallin', fallin' in love
Kore kara no watashino mirai
Fallin', fallin', fallin' in love
Fallin', fallin' in love

Fallin', fallin', fallin' in love-ove
Fallin', Fallin', fallin', fallin' in love
Fallin', fallin', fallin' in love
Fallin', fallin', fallin' in love-ove-ove-ove!

Kyo wa dekake te miyou kana
Fudan shinai meiku mo shiyou kana
Sukato ni wa haihiru awase
Kono style de let's go!

Hikari wa kirei ni machi wo terasu
Itsumo to chigau keshiki ga miete kuru
Hohoemu ureshii

(I-I-I-I-I think I'm in love!)

Fallin', fallin', fallin' in love
Kimi ga kure ta omoide ni
Fallin', fallin', fallin' in love
Ima no watashi ni arigatou
Fallin', fallin', fallin' in love
Kore kara no watashino mirai
Fallin', fallin', fallin' in love

Fallin', fallin' in love

Fallin', fallin', fallin' in love-ove
Fallin', Fallin', fallin', fallin' in love
Fallin', fallin', fallin' in love
Fallin', fallin', fallin' in love-ove-ove-ove!

I see a beautiful rainbow that makes me feel positive
It's like, I can be anything, everything I want
Yes I'mma be
So I gotta sing this song for me

Fallin', fallin', fallin' in love
Kimi ga kure ta omoide ni
Fallin', fallin', fallin' in love
Ima no watashi ni arigatou
Fallin', fallin', fallin' in love
Kore kara no watashino mirai
Fallin', fallin', fallin' in love
Fallin', fallin' in love

Fallin', fallin', fallin' in love-ove
Fallin', Fallin', fallin', fallin' in love
Fallin', fallin', fallin' in love
Fallin', fallin', fallin' in love-ove-ove-ove!
