I did it for love  
I did it for love  
I did it for love  
I did it for love

What's hard for me is I saw your game  
But yet and still you got me  
You touched the deepest part of me  
You got my heart, it's jumpin'

I told you all of my secrets  
Didn't see betrayal  
One year two months and now it's over  
Didn't think we'd fail

Loving you is causing me to change  
And it hurts so bad, it don't feel the same  
And now my friends are asking me what did I do  
I done hurt myself over loving you, oh I

I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love

(I know that I did you wrong)  
Please forgive me baby girl I'm sorry  
(You know that you did me wrong)  
Why you crying baby girl I'm sorry

(I know that I did you wrong)  
Heaven knows I didn't mean to hurt nobody  
(You know that you did me wrong)  
Let me take this time to say I'm sorry

Loving you is causing me to change  
And it hurts so bad, it don't feel the same  
And now my friends are asking me, what did I do  
I done hurt myself over loving you, oh I

I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love

I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love

I had some intentions baby  
But not on hurting you  
I wanna make it up to you  
Didn't you see it in my heart?  
I can't trust it anymore

I, I, I, I, I wanna make it up to you  
I, I, I, I, I wanna make it up to you  
Didn't you see it in my heart?  
I can't trust it anymore

I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love

I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love  
I, I, I, I did it, did it, did it for love

Did it for love  
Did it for love  
Did it for love  
Did it, did it, did it for love
