when i first saw you  
i knew nothing's like it used to be  
boy,you have got to be the finest thing in history  
the way i feel inside it's just so hard t understand  
you feed my apetite in ways i can't explain

Chorus

i'll eat you upx2  
wohohohoh  
i'll eat you up  
wohohohoh  
so yumyum  
wohohohoh  
can't get enough  
wohohohohohohoh  
i think i'm inlove

if you move any closer boy there is no guarantee  
what i will do to you..i hear it and it's scaring me  
like i become some kind of demond in the night  
you look so tasty..i could eat you up alive

(chorusx2)

there's a thing in many things i wanna do to you  
if you move any closer you've been asking for it too  
i want your love. i need your touch  
so much i think i'm in love

(chorus)

i wanna take you to my room  
i'll eat you up  
i wanna take you to my room  
wohohohoh  
i'll eat you up  
so yumyum  
wohohohoh  
can't get enough  
i think i;m in love

i'll eat you upx6
