Darenimo iwanai
Komara setai n janai shi (Whoa!)
Jama nante shinai
Watashi nimo jijou wa aru shi

Futari dake no himitsu
Watashi shika shiranai
Shoujiki na kimi dake wo miseteyo

Is this love? Is this love?
Ima wa mou, umaku kono kimochi kakusenai
Kimi no koto shika mie nakute
(How can I control myself?)
Kuchi ni dashi ta shunkan ni
Zembu, kie chai souna kigashite
Kimi ni wa kikenai, is this love?

Meru wa dasanai
Wasure rare teku kotoba wo
Katachi ni nokoshita nara
Kitto koukai suru kara

Kimarigoto no youna
Serifu nara iranai (I just need your touch boy)
Motto zuyoku dakishime teiteyo

Is this love? Is this love?
Ima wa mou, umaku kono kimochi kakusenai
Kimi no koto shika mie nakute
(Even when I close my eyes)
Zutto waratte itai noni
Kyu ni, naki taku naru no wa naze
Dare ni mo kikenai, is this love?

Love (x2)
Nothing but your love
Love (x3)
C'mon baby
Love (x2)
Nothing but your love
Love (x3)

When I reach my hand and I call your name
(Nothing but you love)
I just find myself deeply breathe again
All this confusion makes me want you more
Don't know why I keep on coming back to you

Is this love? Is this love?
Ima wa mou, umaku kono kimochi kakusenai
Kimi no koto shika mie nakute
(How can I control myself?)
Kuchi ni dashi ta shunkan ni
Zemba, kie chiai souna kigashite
Kimi ni wa kikenai, is this love?

Can someone tell me so!
Please someone tell me so!

Is this love? Is this love?
Ima wa mou, umaku kono kimochi kakusenai
Kimi no koto shika mie nakute
(Even when I close my eyes)
Zutto waratte itai noni
Kyou ni, naki taku naru no wa naze
Dare ni mo kikenai, is this love?
