Saw you standing in the dark,
And I like your energy.
I'm feeling you from way afar,
Boy you're distracting me,
My heart is racing, body's aching,
And I'm shaking all because of you.
(It's something about you)

[Bridge:]
Now I'm thinking 'bout who you with,
'Cause you got me curious.
If you don't come closer, Imma have a fit.
Tell me boy what you're thinkin' too.
Gotta know if you feel the same way I do.
(Talk to me)

[Chorus:]
I can be your lady, you can be my baby,
So don't keep me waiting.
I wanna be touched, I wanna be touched.
I wanna be touched, I wanna be touched.
'Cause I've got this problem,
Only you can solve it, but you gotta come to me.
I wanna be touched, I wanna be touched.
I wanna be touched, I wanna be touched.
(I wanna be touched, I wanna be touched.
I wanna be touched, I wanna be touched, touched.)

Ya gotta get to know me first,
And we can take it further.
And I can't help a flirt,
'Cause I'd be crazy if I let you leave without your
number,
Boy don't make me wait too long for you.
(I just wanna get to know you)

[Bridge:]
Now I'm thinking 'bout who you with,
'Cause you got me curious.
If you don't come closer, Imma have a fit.
Tell me boy what you're thinkin' too.
Gotta know if you feel the same way I do.

(Talk to me)

[Chorus:]

I can be your lady, you can be my baby,
So don't keep me waiting.
I wanna be touched, I wanna be touched.
I wanna be touched, I wanna be touched.
'Cause I've got this problem,
Only you can solve it, but you gotta come to me.
I wanna be touched, I wanna be touched.
I wanna be touched, I wanna be touched.

I never believed in love at first sight,
But you made me wanna give it a try,
You won't regret it, boy if you let me in... I

[Chorus:]

I can be your lady, you can be my baby,
So don't keep me waiting.
I wanna be touched, I wanna be touched.
I wanna be touched, I wanna be touched.
'Cause I've got this problem,
Only you can solve it, but you gotta come to me.
I wanna be touched, I wanna be touched.
I wanna be touched, I wanna be touched.
