Just a line from you,
I'll swallow all my pride,
For all the words I've said throughout the years...
Don't you cry anymore...

I really am such a fool...
Ohohohoh

I try to imagine your face,
When you were happy as sunshine,
I'm saving my last breath,
To say that I'm sorry...

I really am such a fool...
Ohohohoh
I really am such a fool...
Ohohohoh
Time is running out for me!

Nu-nu-nu-nu-nu-nu-nu nu-nu-nu-nu...

Nu-nu-nu-nu-nu-nu-nu nu-nu-nu-nu...
Nu-nu-nu-nu-nu-nu-nu...

I try to stop thinking about you
But I'm still saving my last breath,
To say I'm sorry...

I really am such a fool...
Ohohohoh
I really am such a fool...
Ohohohoh
Time is running out for me!

Nu-nu-nu-nu-nu-nu-nu nu-nu-nu-nu...
Nu-nu-nu-nu-nu-nu-nu nu-nu-nu-nu...
Nu-nu-nu-nu-nu-nu-nu nu-nu-nu-nuuu...
