There must be some explanation
to all my frustrations inside my head
I've always dreamed before it could be
and I still dream
I know I can't change my past
It's time to move on, at last
I haven't always been as strong as I can
but I know that
I had my ups and downs
I lost myself, yesterday
Time moves mountains, they say

I'm gonna change that tonight
I'm gonna feel alright

Just as long as the stars still shine
I've tried to do my best all my life
but time shows me it's not enough to try
that no one can't deny
I'm gonna get right this time

I'm gonna change that tonight
I'm gonna feel alright

Just as long as the stars still shine
I'm not always been as strong as I can

I'm gonna change that tonight
I'm gonna change that tonight
I'm gonna change that tonight
I'm gonna change that tonight
I'm gonna change that tonight
I'm gonna feel alright
I'm gonna feel alright
I'm gonna change that tonight
I'm gonna feel alright
I'm gonna change that tonight
Tonight
Tonight
Tonight
Alright
