Remember me
I'm in Da-Da-Da-Danger Pinocchio
Remember me

[KRYSTAL] Let's see, let's read, let's get this burden off
of my heart
Try stealing the emerald, those pupils are rolling
rolling

[SULLI] You scan me from head to toe, jing jing wing
wing
Stripping that shell off coldly, more than a knife

Now I'm in danger
[VICTORIA] Layer by layer, Hey! Draw me in like pastry
Danger
[VICTORIA] Like honey, I'm soaked through the cracks
I'm Pinocchio~
[LUNA] Now I don't know anybody but you
The breathtaking, breathtaking, dangerous, dangerous
show is starting

Follow follow dda dda dda
It's going to be tingling, tingling
You're making me curious, don't you dare move
I try removing dda dda dda
Piece by piece dda dda dda
Listen to my feelings, I'll cook you again

I'm in da-danger, Pinocchio
Remem-mem-mem-ber Me Pinocchio
Remember me

[VICTORIA] I'm not a doctor, I just want to know you
better
You're Columbus who discovered the unknown
continent
[LUNA] My heart is racing! Racing! What should I do
with my feelings
Like a doll from the childhood of oppa and I

Now I'm in danger

[SULLI] Bite by bite, I'm sweeter than a macaroon
Danger
[SULLI] I'm soaked through the cracks smoothly~
You're Pinocchio~
[KRYSTAL] Now I don't know anybody but you
The breathtaking, breathtaking, dangerous dangerous,
show, show, show is starting

Follow follow dda dda dda
It's going to be tingling tingling
You're making me curious, don't you dare move
I try breaking down dda dda dda
Piece by piece dda dda dda
Listen to my feelings, I'll cook you again

[AMBER]Are you lost inside the maze? About that, the
key to open you up
Inside the layers that keep piling up from the daily
tricks
Oh I just wanna tell you I'm in danger now

I'm in Danger, in Danger
Remember me

[KRYSTAL] Whoever sees you thinks you're perfect, you
will be reborn
[LUNA] Okay, now breathe life into those lips, You know
it's a dream, right, Pinocchio?

Follow follow dda dda dda
It's going to be tingling tingling
You're making me curious, don't you dare move
I try removing dda dda dda
Piece by piece dda dda dda
Listen to my feelings, I'll cook you again

Follow follow dda dda dda
It's going to be tingling tingling
You're making me curious, don't you dare move
I try breaking down dda dda dda
Piece by piece dda dda dda
Listen to my feelings, I'll cook you again

Remember me
