Enlisting the ranks of of unskilled labor
Cheap to employ and easy to sever
As disposable as today
Give us your guys - we'll give you relief
Give us your minds - we'll give your belief

Loyalty till the end - Thanks to your trusted friends
Quality you can depend on - brought to you by your

Trusted friends

Pledge of allegience to your desires
We cut the deck, you're losing the game
You don't have a thought we haven't placed in your
head
Give us your guys we'll give you relief
Give us your minds we'll give you belief
