Words don't come easy to me
How can I find a way to make you see, I love you?
Words don't come easy
Words don't come easy to me
This is the only way for me to say, I love you
Words don't come easy

Well, I'm just a music man
Melody so far my best friend
But my words are coming all wrong and I, I reveal my
heart to you and hope that you believe it's true
'Cos words don't come easy to me
How can I find a way to make you see, I love you?
Words don't come easy

This is just a, simple song that I've made for you on my
own
There's no hidden meaning you know when I, when I
say I love you honey
Please believe I really do 'cos...

Words don't come easy to me
How can I find a way to make you see, I love you?
Words don't come easy

It isn't easy
Words don't come easy

Words don't come easy to me
How can I find a way to make you see, I love you?
Words don't come easy
Don't come easy to me
This is the only way for me to say, I love you
Words don't come easy

Words don't come easy
