The man behind the mask  
To slaughter and to maim that is his task  
Innocent youth down the lake  
Mother says their lives he's gotta take  
One thing you cannot trust  
Is a man with a machete in his hand  
Get the fuck out, he's not a goalkeeper  
It's Jason Vorhees with an urge to kill

[Chorus]

STOMP AND SHAKE! Down at Crystal Lake  
STOMP AND SHAKE! Down at Crystal Lake

Down at Crystal Lake, down at Crystal Lake

[Repeat 2nd Verse]

[Repeat 1st Verse]

[Chorus x2]

Down at Crystal Lake, down at Crystal Lake  
Down at Crystal Lake, down at Crystal Lake... Lake!
