I wanted to meet on top of the hill so what do you say?
I'm taking it back I've skied on the track not losing a
moment anyway
I feel like a bird my view of the world right under my
wings
I'm one of a kind not easy to find so take it or leave it

I wanna be there and do it again, ooh (Do it all again)
I wanna be there now and forever

TV Radio lets take a station in control
Come to my show this is my life of rock n' roll
Stay tuned sold out I'll make it to the hall of fame
Jealous no doubt 'cuz here I come I'm back again

Been fighting for years
Seen so many tears it's never too late
The vision is mine I'm making it shine
It's always the struggles to keep you straight
I feel so alone
You come to the phone, I'm ready your through
I know what it takes
I've done some mistakes that I can't undo

I wanna be there and do it again, ooh (Do it all again)
I wanna be there now and forever

TV Radio lets take a station in control
Come to my show this is my life of rock n' roll
Stay tuned sold out I'll make it to the hall of fame
Jealous no doubt 'cuz here I come I'm back again

As long as we try we're winning
It's a start of a new beginning
The meaning of what we're singing is the sound of our
life

TV Radio lets take a station in control
Come to my show this is my life of rock n' roll
Stay tuned sold out I'll make it to the hall of fame
Jealous no doubt 'cuz here I come I'm back again

Here I come I'm back again

TV Radio lets take a station in control
Come to my show this is my life of rock n' roll
Stay tuned sold out I'll make it to the hall of fame
Jealous no doubt 'cuz here I come I'm back
Come, come I'm back
Come, come I'm back again
