You think you're hard, you think
You think that you can mosh
I know you're a loser
I know that you can't mosh
I see you in the front row
Try to mosh your ass off
But I know you're a loser
I know that you can't

[Chorus]
Can you do it?
Can you do the Mackrory Mosh?
Can, can you do it?

See you in the front row
Try to mosh hard
But I know that you are
A fucking loser
I know, I know that you can't mosh
Fucking cunt, fucking piss
I know that you are a
Cunt ass, sucking cock
I know that you can't

[Chorus]
You can't do it, you can't do it
You can't do it, you can't do it
You're a cunt

[Mosh Part - Repeat 1st Verse - Chorus]

You can't do it, you can't do it
Cause I know that you are a cunt
