Out of the pit, thrashed and abused  
Is where our story begins  
We pack up our gear and get ready to roll  
The nightmare returns

'Cause sometimes they come back  
To mosh  
With fire in our eyes  
And bloodsoaked hands we've come  
To mosh  
Fueled by revenge  
And a diehard belief we're back  
To mosh  
Down on your knees 'cause we command you all  
To mosh  
And lay down your souls to the gods  
Mosh n' roll

Back in the game  
We've been gathering strength  
Planning our sinister plot  
The devil himself has nothing on us  
In hell he can stay and rot

Bonded by blood and Freddy's revenge  
Our mission begins to unfold  
A journey through terror, a trip to hell  
Our tale will be told

Sometimes they come back  
To mosh  
With fire in our eyes  
And bloodsoaked hands we've come  
To mosh  
Fueled by revenge  
And a diehard belief we're back  
To mosh  
Down on your knees  
'Cause we command you all  
To mosh  
And lay down your souls to the gods  
Mosh n' roll

Mosh

Sometimes they come back  
To mosh  
With fire in our eyes  
And bloodsoaked hands we've come  
To mosh  
Fueled by revenge  
And a diehard belief we're back  
To mosh  
Down on your knees  
'Cause we command you all  
To mosh  
And lay down your souls to the gods  
Mosh n' roll
